

Come To Me

Come to me if you're tired, for I will give you Rest!

Come out of the world, from its pressures and its stress.

I'll hide you under my wings; for it's only in me don't you see,

You will find perfect rest, and perfect peace.

1 - I said my Yoke is easy and light, are you heavy?

That's the time to realize you must come to me....

It's in my presence you'll find lasting joy

Not like the world gives with its passing toys,

Don't you see, to be free, you must come to me!

2 - There's not a thing you can do to earn anything....

It's by My Spirit, not by power or your strength...

I gave it all to you through My Son, My work for you is completely done...

So come to me, and be blessed in your Father's care, so Rest!

Chorus

Ending: I'll hide you under My wings, for it's only in Me don't you see,

That you will find perfect rest, and perfect peace (2x)

I'll hide you under my wings if you'll come to me.
