

Get Ready

Chorus:

Get ready, for here He comes!

Get ready, God's Chosen Son!

Soul get ready, He's gonna split that Eastern sky!

We that're in God's family, He's comin' for you & me!

Soul get ready, we're gonna take off & fly!

1--Be mindful to watch & pray, so You'll be ready on that day,

When He comes through the clouds like a thief in the night!

Jesus said in His Word, so don't forget what you've heard,

"Look up for your redemption draweth nigh..."

CHORUS

2--Keep the flame burning bright through Jesus Christ who's made us right..

By the blood He shed for you and for me

When you hear that trumpet sound, you'll find your feet up off the ground

Homeward bound, we've finally been made free!
