

I Believe, I Believe

Chorus:

I believe, I believe & so I will speak

The Word of God & what He says about me

When I look to His Word, I'll know who I am..

I believe, I believe & so I will speak

The Word of God & what He says about me

I'm not looking back, I'm a brand new man..

1 - When Sarah was told she was having a baby,

She laughed to herself & said, "they're crazy"..

I'm too old, I'm getting ready to die..

But Abraham said, "He's the Great I Am..

And whatever He says, I know that we can;

We'll be moved by faith & not by sight.."

2 - When Daniel was thrown in the lion's den;

They looked fierce but the lions feared him..

None of them opened up their mouths..

He wasn't afraid to be alone; God was sittin' on the Throne..

For He knew His God & was headin' out!

Chorus: I believe, I believe & so I will speak

The Word of God & what He says about me

When I look to His Word, I'll know who I am!

I believe, I believe & so I will speak

The Word of God & what He says about me

I'm not looking back, I'm a brand new man~!

3 - When Joseph was sittin' in the prison cell,

He thought to himself, "God does not fail.."

He waited for His Lord to act...

The words, "You're forgotten," were screamin' at him..

God's ruler wasn't given' in..

He knew God would move on His behalf..
