

If It Had Not Been

Chorus: If it had not been

For the Lord on my side!

He's my best friend & unto Him I cry.

When I get discouraged & it can't be denied,

If it had not been for the Lord on my side!

1 - When we're troubled on every side, yet not distressed,

We may be perplexed, but remember we're blessed!

When we're persecuted, we're not left alone.

We may be cast down, but He's still on the throne!

2 - When we're running out of patience, He's given us peace.

He's given us His strength, even though we think we're weak.

When we feel we're runnin' on empty, if we wait upon the Lord,

We'll run and not be weary, like eagles we will soar.
