

## **Isn't It Wonderful**

1-- Do you see, He's the One Who made the heavens?

Do you see, He created you & me?

He set His love upon us to show that He cares,

Do you see, He died to set us free?

**Chorus:** Isn't it wonderful, He gave His own Son

He gave all He had so we could be one.

When He looks at you and me,

He sees what we will be throughout eternity!

**Repeat chorus**

2 - Do You see He's the giver of life so that

We could be full of His glorious light!

He extends to us His mercies new every day.

Do you see; we live in Him through grace!
