

Isn't It Wonderful

1-- Do you see, He's the One Who made the heavens?

Do you see, He created you & me?

He set His love upon us to show that He cares,

Do you see, He died to set us free?

Chorus: Isn't it wonderful, He gave His own Son

He gave all He had so we could be one.

When He looks at you and me,

He sees what we will be throughout eternity!

Repeat chorus

2 - Do You see He's the giver of life so that

We could be full of His glorious light!

He extends to us His mercies new every day.

Do you see; we live in Him through grace!
