

Jesus Won The Battle

1 - They took Him down from the tree and laid Him in the tomb.
It was over; He was finally gone from the public's point of view.
But God raised Him from the dead, saving Him from corruption,
After three days in the grave, it was time.... for His resurrection!

Chorus:

Jesus won the battle over every demon from hell.
They thought they'd stop Him, but their plan did not prevail!
Once rejected of men, tortured with pain,
And crucified, but on that third day,
He won the battle so we could be saved!!!

2 – The Lord spent 3 days in the grave, and God had kept Him safe.
The devil thought he had won when he nailed Him to that tree,
But death's hold on Him was denied, for God was on His side;
Jesus triumphed 'oer the enemy, and now Satan is under our feet!
