

Mighty God

Chorus:

Mighty God, You reign victorious! Mighty God, You are Supreme!

Mighty God, Everlasting Father! Mighty God, You are my King! Repeat

You are the Holy One; You reign in majesty

You are the Great I AM; All nations will bow at Your feet!

1 - You parted waters, You calmed the raging sea!

You led Your people so they could be free!

By a cloud by day, a fire by night

You stilled Pharaoh's men when their chariots sank out of sight, Out of sight!

Bridge:

You are the Holy One! You reign with majesty!

You are the Great I Am; All nations will bow at Your feet!

2 - The mountains quake at the sound of Your voice!

In Your presence, Your people rejoice!

You're the Lion of Judah! The Soon Coming King!

The demons tremble; at Your Name they flee...they flee!
