

Oh, The Blood

Chorus:

Oh the Blood, it washes white as snow,

Oh the Blood, was sent to atone.

The Blood that the Lamb has shed for you & me

Has given us the grace & victory!

1 - Jesus hung on the Cross, thinking about the ones that were lost.

As He gave His life & His blood, He knew we were His for it was done!

2 - It was done; He'd entered into heaven,

And sprinkled the Holy Place with His blood!

The Father said to Jesus, "Thou good & faithful Son,

It is finished, the healing has begun!"

3 - It was done, salvation had begun

For the ones receiving what He had done,

By looking to Jesus, the Way, Truth & Life,

It is finished, His blood has made us right!
