

Spirit Come

Chorus:

Spirit come and move on my life.
Spirit come, protect us from all strife.
We the Father's people, ask You to draw near,
Spirit come and move among us here!

1 - Offenses come, offenses go, but You are faithful to behold!
Well-meaning people let us down,
But You are able, Your grace abounds!
You've sent Your Spirit to be our guide, to help us stay out of strife,
To walk in unity, like the Blessed Trinity!

2 - When Jesus prayed that we'd be one,
God gave His Spirit to overcome,
To love one another...all our sisters & our brothers!
We weren't created to be divided, but to stand together united,
In one accord, to show the world we're of the Lord!
