

Then There Came You

CHORUS

There were women from long ago,
Of whom the Bible tells.
There was Sarah, Rebecca, & also Abigail.
There was Esther, Mary Magdalene, Naomi, & Ruth.
And though the Bible stopped,
Acts goes on; then there came you!

1- Your birth was no accident, God breathes new life.
We prayed for, you, precious child, & knew His timing would be right.
When we held you in our arms, we knew it was true,
God answered our prayers & we're thankful in heart for you.

2 - These women made history, & had their share of fame,
Though you might not receive acclaim,
God's called you by Name.
He knows the number of hairs on your head;
He knows your every breath.
We thank God for giving you to us, we loved you before our eyes met!
