

## **There Is Hope**

1 - When you feel you've let down the King  
And you'll never be able to sing,  
'Cause you think you've done it all during your great fall,  
But look up, He has good news to bring!

### **Chorus:**

There is hope, God's the lifter of your head.  
He restores your soul from the dead.  
There is nothing you can do to remove His love from you.  
There is hope, His love is true!

2 - The throne of judgment, now the mercy seat,  
So you would not have to taste defeat.  
Now, if your back's against the wall,  
The righteous may seven times may fall,  
But you'll rise up never to retreat....
