

There Is Joy

Chorus

There is joy in God's Kingdom,
Angels rejoicing all around.
There is joy in the Kingdom
Over one lost soul who's been found!

1 - There are many in the world heading straight for hell;
God's chosen people must bring the light to them.
If the people in the world never see the light,
Their blood will be on our hands, we must do what's right.

2 - There are times we get caught up in ourselves,
Doing all the things that seem so right to us.
We must never forget someone took the time
To minister salvation so we could be His child!

3 - Reach out to them; make the sacrifice,
Share with them the gospel of our Savior, Jesus Christ.
Tell what He did, how He paid the price,
How He gave His life, so they won't have to die.
