

Walk On

1 - What would you do if they came to you and said she's gone?

What would you do with that brutal truth, could you walk on?

Though your heart would be breaking from that unplanned good-bye,

What would you do, would you walk or die inside?

CHORUS:

Today holds no promises, you may only have right now

To love your family and those who hang around.

If they'd leave your world today, I'm sure this is what they'd say,

"Even though I'm gone, I'm ever in your heart, so walk on."

2 - There are those who will blame everyone & everything

For their losses in life instead of facing the reality,

That their loved ones might someday be gone

And lose the chance to mend any wrongs

But don't look back there's another chance, walk on!
