

## **We Are The Church (Of Jesus Christ)**

1 - The gates of hell shall not prevail against us,

We're built on the Rock Whose Name is Jesus Christ.

In one accord we'll stand, We're not built on sinking sand.

We are the army of the Lord; We shall arise & go forth.

We are the church of Jesus Christ and we shall stand!

Chorus

So arise & go forth in the Name of the Lord of Hosts.

So arise, reach out to them, take His healing to the land.

We are the Church of Jesus Christ & we shall stand!

2 - The gates of hell shall not prevail against us,

We're built on the Rock Whose Name is Jesus Christ.

We're full of power through His Name; we'll never be the same.

We're pressing onward for the prize as we fully realize

We are the church of Jesus Christ and we shall stand!
